In-Kind Donations

One way to help the people in our programs is to donate items, otherwise known as, making an in-kind donation. To run our shelters and programs, we need many of the same types of items you do in your home. Used items can be brought to our thrift shop, Charity's Closet. The new items we need most often are on our Needs List below. If you can donate any of these new items, please call LeAnne at: (714) 993-5774 x1003 or shop our online registry lists directly. The links are below. We appreciate your kindness and generosity in donating to HIS-OC.

Host a Drive

Grab your friends, family or co-workers and organize a drive! It's a fun, interactive way to do something good for people in need and a great example to set for our children. If you have any questions about hosting your own donation drive, please send a message to Lisa Scarsi, Development Manager, lisa@his-oc.org

When you are ready to bring in-kind donations to us please call to set up an appointment so that someone can assist you 714-993-5774
